

BQ660

Mini-ITX Chassis

Features

Space Saving

With a depth of less than 8 cm, this chassis can be easily mounted behind an LCD monitor. The BQ Series not only minimizes its size but also maximizes its features.

Optional External Remote Control

Dual Layer Interior Structure Design

The BQ Series uses an advanced dual layer interior structure design. The spacious interior supports a DVD Drive, Hard Drive, and 3-in-1 Card Reader.

Ultra Small Footprint Chassis

Small, Smart, Sleek and Spectacular! The BQ Series is only 3.3 liters in size but includes various multi-functional features.

Internal PSU

Internal 80W PSU features low power consumption and minimizes noise levels for a silent computing experience.

Mini ITX Motherboard Support

Standard Mini ITX motherboard support for easy integration.
